Submits a detailed report in the matter of the installation of Brahmasri Basappa as Guru of the Sirikanagadde Matt at Narasimharajapura and the expenditure incurred in connection with the consecration of two gain Vigrahas.

3 The Deputy Commr has furnished the following replies to the queries put by this office in Pt. 4: ———

(1) Who nominated the Swami in question?

Reply:—It was the previous Swami and the disciples who had assembled at the consecration ceremony of the Vigrahas that nominated the present Swami and gave him charge of the affairs of the Matt together with the seals pertaining to the office.

(2) If the nomination was made by the disciples, what is the no. of such disciples and

NOTE—Contn sheet

and the places of their residence?

Reply:— The nomination was made both by the previous Swami and the disciples gathered at the consecration ceremony of the Vigrahas. As regards the no. of disciples & places of residence it is stated that it is not possible to state either the number of disciples present on the occasion or their individual places of residence as they are scattered in distant & different areas, but that there is a petition dated 1st May 1918 addressed to the D. G. signed by the previous Swami (who is now dead) and certain disciples stating that such a nomination was duly made that the nominee was a fit person for nomination, and that there are also other petitions on the subject.

Was the nomination witnessed by two persons and the fact recorded in the presence of the Vihara & of the Nattukkottai Nagaram Chettiar community executed &c.?

(3) no reply as the nomination was not made at the instance of another Adadhipathi.

(4) Are all the disciples or the majority of them in favour of the installation of the Swami as head of the Matt?

Reply:— Judging from by the petitions appears to above & by the absence of any valid objections raised during the last two years there

Serial No

is reason to believe that the majority of of the disciples have consented to the present nomination and that it may be deemed to have been rightly made and recognised.

(5) What is the extent of Inam granted to the Matt or is it in favor of the Basti Devaru at the place?

Reply:— It is reported that the Mutt enjoys an Inam of 15 2 acres, 17 guntas & that the income thereof is after utilizing the services of the temple credited to the funds of the Matt.

(6)(a) At whose instance was the consecration of the Vigrahas undertaken?

Reply:— They are Vitaraga idols and were presented to the Mutt by the Panagonda Archaks. As they were lying idle for more than a year & the local disciples sent notices for their consecration and that 3 out of the 5 Dharmadarsis of the institution resolved at a meeting held on 17th April 1918 that a sum of Rs. 400 might be spent for the purpose in anticipation of sanction, that an expenditure of Rs. 5 12—14—0 was incurred

incurred on the occasion of which Rs. 105-13-0 was paid by the devotees and the extra amount of Rs. 407-1-0 advanced by Mr. Gurulanayya Gettaru, one of the Dharmadarsis, out of the Matt funds.

(b) Whether the previous orders of the Local Officers were obtained and if not why should not the cost be paid by the persons responsible for the consecration?

Reply:— No previous orders or sanction of the Local Officers was sought for or obtained for the consecration of the Vigrahas in question.

38 The persons responsible for the consecration are the three Dharmadarsis. Since the Matt has ample funds at its credit and the ceremony appears to have been considered in the interests of the Matt and approved by the late Swamy, the Deputy Commr. recommends that Govt may be pleased to sanction the expenditure incurred.

2) Submitted for orders as to whether the nomination of the new Swami may be approved & the Rs. 512-0 expenditure incurred in connection with the consecration of the Jain Vigrahas sanctioned.

Sir,

With reference to your querries in your letter No.2360/Muz.203-18-4 dated the 17th February 1919 and No. 1482/Muz.200-18-6 dated 12th November 1919 regarding the installation of Brahmappa as Guru of the Singanagadde Basthi Matt at Narasimharajapur and the expenditure incurred in connection with the consecration of two Jain Vigrahas, I have the honour to state as follows:-

Querries i and ii. It was the previous Swami and the disciples who had assembled at the consecration ceremony of the Vigrahas that nominated the present Swami and gave him charge of the affairs of the Matt together with the seals &c., pertaining to the office. The Amildar reports that it is not possible to state the number of disciples present on the occasion nor their individual residences, as they are scattered in different and distant areas. But the connected records contain a petition(Ferist No.10) dated 1st May 1918 addressed to the Deputy Commissioner and signed by the previous Swami(who is now dead) and a number of disciples stating that such a nomination was duly made and that the nominee was a fit person for nomination. There is also another petition dated 1st

October

October 1918 addressed to His Highness the Maharaja from a number of devotees and disciples approving of the nomination of the present Swami and praying for the restoration of the management of the Mutt to him. Very recently in May 1920, two petitions have been received purporting to be from Chandrasagara Swami of Saragoor stating that the present incumbent is not making a proper use of the properties of the Mutt and is giving them away to his personal relations. This Swamy is however one of those who took part in installing the present Swamy and has signed the petition dated 1st May 1918.

QUERRY No.iv. - Judged from the above petitions there is reason to believe that the majority of the disciples have consented to the present nomination and considering the absence of any valid objection till very recently for two years together, the present succession may, I think, be deemed as rightly made and recognised.

QUERRY.No.v.- It is reported that the Mutt enjoys an Inam of 152 acres, 17 guntas and that the income thereof, is after utilizing the services of the Temple, credited to the Mutt management.

As regards para 3 of your letter, I have to state that no previous orders or sanction of the Local Officers were sought for or obtained for the consecration of the Vigrahas in question. They are Utsavam Idols and were presented to this Mutt by the Penagonda Archaks. They were lying idle for over a year and the local disciples sent notices for their consecration and the ceremony was performed in the presence of the devotees assembled and the previous Swami who also had come for it. In the meeting of Dharmadarsis held on 17th April 1918 the three members present(out of five) resolved that as there was no time to obtain sanction, a sum of Rs 400/- might be expended in anticipation of sanction. The amount actually expended on the occasion was Rs 512-14-0 of which Rs 105-13-0 paid by the Devotees. The increased expenditure is said to have been due to the installation of the present Swamy. The very

same

same three Dharmadarsis held another meeting on 27th ~~August~~ May 1918 and confirmed the above expenditure and resolved that the extra amount of Rs 407-1-0 advanced by Mr.H.Jwalanayya Settaru(one of the Dharmadarsies) be met out of the Mutt Funds.

It must be admitted that the three Local Dharmadarsies who seem to have taken an active part in getting these vigrahas ~~conerated~~ Consecrated, should have taken the sanction of the local authorities for incurring this expenditure. The persons responsible for the consecration are the three Dharmadarsies and one of them Jwalanayya Chetty has advanced the amount required. Since the Mutt has ample funds at its credit and the ceremony appears to have been considered in the interests of the Mutt and approved by the late Swamy, I would recommend that Government be kindly pleased to sanction the expenditure incurred.

The file of records received from the Sub Division Officer with his No.S.O.C.201/19-20 dated the 7th April 1920 is herewith submitted for reference and favour of return when done with.

The petition received with your Official Memo No.1432/Muz. 200-18-6 dated 12th November 1919, which was sent to the Tarikere Sub Division Officer, for report, has not been received back. It will be called for and submitted on receipt.

Sir,

In continuation of this office letter No.O.C.2108 of 17-18 dated 8th July 1920 submitting a report regarding the installation of one Bramhappa as the Guru of the ~~Simha~~ Singa nagadde Basti Matt at Narasimharajapur, I have the honour to submit herewith the file of vernacular papers ending with the Tarikere Sub Division Officer's Yadi No.S.O.C.998 of 1918-19 dated 29th October 1920. dealing with the lease of the Inam lands of the Basti.

2. The Basti has inam lands to the extent of 148 -- acres distributed in five villages and they are composed of 105 acres wet, 40 acres 17 guntas dry and 2 acres and 25 -- guntas garden. The average annual income derived from these lands to the Basti during the last five years was 838 Rupees., but in the sale held on the 13th February 1919 for five years from 1919-20, the annual income has gone up to Rs 1000/-. The Sub Division Officer has confirmed the sale and has recommended for favourable consideration the prayer of the purchaser -- Jwalanayya Setty to extend the lease of the garden lands to 15 years as some improvements are necessary.

37

3. The request of the lessee seems reasonable; but unless there is likely to be any delay in passing orders as regards the recognition of Brahmappa asthe Guru of the Matt, the prayer of the lessee may, it seems. be left to the Swamy for disposal.

To

SECRETARY TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE,
...Muzrai..... DEPARTMENT,
BANGALORE.

SIR,

With reference to your letter No.2653/Muz., 200-18-9 dated the 5th February 1921 calling for a detailed report in the matter of the several allegations made against Brammappa of the Singanagadde Basti Matt at -- Narasimharajapur, I have the honour to state that it is reported that Brahmappa died on the night of the 18th December 1920, that no other Swami has been installed instead and that the devotees have been advised to take action to instal another Swami.

2. As regards the allegations against Brahmappa, it is ascertained on enquiry that he did not maintain any accounts to show the receipts and expenditure of the Matt and it is not therefore possible to explain away the allegations. The Dharmadarsis however state in their Proceedings of a meeting held on the 20th -- September 1921 that Brahmappa had got a road opened to lead to the Basti and the rank vegetation all round the building cleared. The gold Jwalamalini Vigraha, referred to, which the late Swami had kept with him for worship is

understood to have been handed over to the Pujari Puttasuri Sastry, who in turn has since made it over to the Dharmadarsi Jwalaniah Shetty about 3 months ago. In view of these facts and of the fact that Brahmappa is now no more, I think this matter may be dropped.

3. With regard to the extension of the period of the lease of the garden lands referred to in my letter No.O.C.328 of 20-21 dated 15/18th December 1930, the Dharmadarsis have also since resolved that the period may be extended to 15 years and the Deputy Amildar has after inspecting the land reported that the lessee has fenced the garden and improved it considerably and suggested that the period of lease may be fixed at 30 years. The Sub Division Officer proposes, that the period may be extended to 30 years subject to renewal once every 5 years. From a perusal of the records, I see that the garden lands have not been separately leased out nor do they consisit of separate survey numbers by themselves so that they may be leased out separately. These gardens form parts of survey numbers which consist of dry and wet areas also and as such the suggestion of the Deputy Amildar and the Sub Division Officer is not practicable. The lease will therefore be for 5 years only and on the expiry of this period, the lease may be continued to him for a further term of 5 years at a reasonable rent provided he continues to maintain the garden in good condition.

4. It will be seen from the petitions in the file and other correspondence that the institution is badly in need of repairs. An estimate with a plan for Rs 3600/- prepared by the Executive Engineer for improving the Santaveeraswamy temple attached to the institution is herewith submitted with the connected records. The estimate may be kindly sanctioned, the cost being met out of the Basti funds. The Basti has ample funds at its credit. The amount available at its credit is Rs 5306-10-0.

42

5. The file of vernacular records ending with the Tarikere Sub Division Officer's Yadi No.3.O.C.201/18-19 dated 5th November 1921 is herewith submitted for reference. The points on which orders are solicited are (1) sanctioning the expenditure of Rs 407-1-0 incurred in connection with the consecration of two Jain Vigrahas and (2) sanctioning the estimate for Rs 3600/- for improving the Santaveeraswami temple out of Lasti funds.

2. Petition registered No.453 dated 25th August 1913 from the Swami of the Simhangadde Matt, representing that the Matt and the temple are in a dilapidated condition, that estimates which have been prepared for the necessary -- repairs are hung up somewhere, that in the meanwhile the buildings are going into ruin or becoming dangerous, that the paddy grown on the lands of the Matt are being sold away, and praying that the question of the restoration of --the Matt and temple may be taken up at once and that on account of the great increase of prices that would occur in the future, the paddy may be kept stored etc.

O r d e r No.

Dated, Bangalore, January 19

In his report No. C.C.2106/17-18 dated 9th July 1920, the Deputy Commissioner of the

Kadur District stated that one Brahmappa had been installed on 1st May 1918 as the Guru of the Matt by the devotees under the titular name of Lakshmisena Bhattaraka Pattacharya-swami, and recommended that he might be --- recognized as the Guru of the matt and entrusted with the sole management of the Matt and its endowments as he was capable of managing the affairs of the institution; but, as it is now reported that the said Brahmappa died on 13th December 1920, no action in ~~their report~~ this respect is called for. There were certain allegations of misappropriation of Matt funds and of a gold Jwalamalini idol against him, but the Deputy Commissioner's report shows that there is no substance in them.

3. The Deputy Commissioner brings to notice that ~~that~~ the Dharmadarsis have resolved that the garden lands of the matt may be leased for 15 years and that the local officers recommend a lease for 30 years, but he is of opinion that the lease -- should be only for 5 years on the expiry of which period, an extension for another 5 years may be granted on a reasonable rent, provided the lessee continues to maintain the garden in a good condition. Government agree with the Deputy Commissioner in considering that the lands may be leased for 5 years in the first instance, the lessee being allowed to continue in possession thereafter on the terms set -- forth by the Deputy Commissioner, if in such a course he shall be found desirable.

4. The Deputy Commissioner states that two utsava-vigranas of Nandiswara and Jwala-malini presented by the Jaina ~~deceples~~ disciples were

were consecrated at a cost of Rs.407-1-0 which he recommends may be sanctioned and further submits for sanction an estimate for Rs.3,600, for the repairs of the institution. Government are pleased to sanction these items of expenditure, the charges being met from the savings at the credit of the Matt.

5. The attention of the Deputy Commissioner is invited to G.O.No.233-42/Muz.F.102-92 dated 14th December 1892 publishing rules for the succession of Gurus to Matts enjoying Government grants, and he is requested to advise the disciples of the Matt to select as early as possible an eligible candidate and ~~he will~~, -- after getting intimation of it, to submit the name of the said candidate for the orders of Government, with his own opinion about his fitness for the office.
